Different Flavors In store weekly

Design possibilities are endless, but we simplify them in categories:

Novelty Cakes: Any basic shaped cakes (rounds, squares, or rectangles) which could be decorated with buttercream piping, flowers, characters, or a design of your own.

Sculpted Cakes: The cakes could be in a 2D (flat) or 3D shapes, with or without inner supports. Buttercream or Fondant covered or detailed

Tier Cakes: Variety of shapes (round square, hex, petal, oval) consisting of cakes with two layers and a filling stacked with supports (e.i wedding cakes)

*****Tiered Cakes or tall cakes will not have a box top on the cakes***

It is illegal for us to create a design of a copyright or trademark figure - please keep that in mind when creating your design!
